Everyone will be viewing and voting on the cars before the race and the Pack will be awarding prizes for the most original design and best craftsmanship so take your time and make an awesome looking car!

The official technical inspection and registration is occurring Friday night (Feb 26). After the car is checked in it will remain with the inspection committee. This way all the cars will be available for viewing and judging before the race on Saturday. No cars will be accepted on the morning of the race! Here is the address and times for the weigh-in.

Goodwill/Good Turn Day Service Project

“CLOTHING AND CANNED FOOD ROUNDUP”

WITH GOODWILL INDUSTRIES & SAN ANTONIO FOOD BANK

The economic recession of 2009, resulting in dramatically increasing unemployment and poverty nationwide, has driven sharp increases in need for emergency food assistance. An estimated 49 million Americans are food insecure. Of those 49 million, almost 17 million are children and 5 million are seniors. You can help! It’s easy and rewarding to engage in Good Turn Day! It’s three simple steps:

1. Have each Scout distribute at least 30 door knob hangers in a residential area on or before **Saturday, January 29, 2011. Please do not place door hangers in or on mailboxes.**
2. Canvas the area on **Saturday, February 5, 2011** and pick up donations from the residents who received the door knob hanger.
3. All participants will receive The Good Turn Day patch.

Honor Our Scouting Heritage with this 60 Year Tradition!
